70kg

tru•vue™

Mobile cart with rotational interface

For the 55" (WM55B, WM55H, WM55R) and 65" (WM65B, WM65R)
SAMSUNG FLIP, FLIP 2 and FLIP PRO

The TruVue TRVT-FLIP2 provides a sleek & tidy mobile solution with a rotational interface which supports the 55" and 65" Samsung Flip displays. Complete with 2 sleek poles to display the screen at a height of 1370mm. The mount's rotational interface allows the user to easily rotate the display 90° from landscape to portrait, and holds the display at a 0° or +5° to further promote ergonomics with a more natural angled writing surface. The power strip storage design and built-in cable management keeps the wiring hidden, avoiding clutter for a clean appearance. The equipment shelf behind provides storage space for materials or equipment.

- Rotational interface holds the display at a 0° or +5° to further promote ergonomics and a more natural writing surface
- Pre-assembled base provides rigidity, stability and quick assembly
- Smooth Matt white finish matches the Samsung flip finish
- Plastic shelf for AV components
- Power strip storage* design and built-in cable management

Internal cable management

Power strip storage with back cover*

Portrait or landscape orientation

*Power strip not included
